

CAR RENTALS

ALNORAS

INTEGRATED SOLUTIONS CO.LTD

Driven by Reliability, Powered for Business

www.alnorasgroup.com

Who we are?

Alnoras Integrated Solutions provides tailored vehicle rental services to businesses, NGOs, and organizations operating in Sudan, ensuring seamless mobility in challenging environments.

Why choose us?

- **Local Expertise:** Deep understanding of Sudan's roads, regulations, and logistics challenges.
- **24/7 Support:** Round-the-clock assistance for breakdowns, emergencies, or itinerary changes.
- **Compliance Guaranteed:** Fully licensed, insured, and aligned with Sudanese transport laws.
- **Scalable Solutions:** Rent a single vehicle or manage an entire fleet—flexible terms for every need.

Fleet Options:

Economy Cars (Toyota Corolla, Hyundai Accent)

- Ideal for urban travel and cost-effective daily commutes.
- Fuel-efficient and easy to maneuver in crowded cities like Khartoum or Port Sudan

SUVs & 4x4s (Toyota Land Cruiser, Hilux, Buffalo)

- Built for Sudan's rugged terrain.
- Perfect for field operations, rural projects, or disaster relief missions in Darfur, Kassala, or the Red Sea region

Vans & Buses (12–24 seats)

- Safe group transport for staff, conference delegates, or event logistics.
- Air-conditioned and driver-inclusive

Value-Added Services and Features:

Insurance Packages

Comprehensive coverage including collision, theft, and third-party liability.

Chauffeur Services

Professional drivers with knowledge of local routes and checkpoints

Advanced GPS Tracking

All vehicles come equipped with high-tech GPS systems for real-time location monitoring, route optimization, and enhanced security.

Branding & Customization

Promote your organization's identity! We offer free logo decals on rented vehicles—ideal for corporate branding or NGO visibility in the field

Comprehensive Maintenance

All vehicles are serviced exclusively in workshop, ensuring quality control and adherence to safety standards. Our packages include:

- Regular car washing and interior cleaning.
- Scheduled oil changes and fluid checks.
- Full-system diagnostics (brakes, engine, battery).
- 24-hour repair support

Compliance & Safety

Key Points:

- Certified by the Sudanese Ministry of Transport.
- All vehicles undergo weekly safety inspections and routine maintenance.
- Comprehensive insurance coverage meets international NGO standards.
