# COMPANY OVERVIEW

---

## About Us

Alnoras Integrated Solutions CO. LTD is a diversified enterprise specializing in investments and contracting. Since our founding in 2010, we have been committed to delivering excellence across various sectors, including electrical contracting, non-food trading, automobile maintenance, construction, car rentals and conferences organizing . With a presence in both PortSudan and Khartoum, we serve a wide range of clients, from individual consumers to large organizations, including prominent partners such as the United Nations, UNDP, UNICEF, and various ministries within the Sudanese government.

# OUR PROCESS

---

## Mission

To deliver integrated solutions with precision and innovation, contributing to the sustainable development of Sudan through our diversified services. We aim to set new standards in quality and reliability across all sectors we operate in.

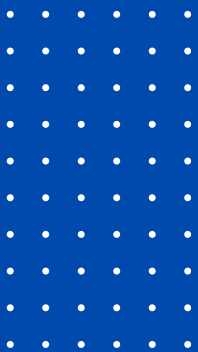

## Vision

To be a leading force in Sudan's investment and contracting landscape, known for our commitment to excellence, environmental responsibility, and unwavering dedication to our core values

# COMPANY VALUES

- **Precision:** We believe in doing things right the first time, every time, by adhering to the highest standards of accuracy and quality.
- **Commitment:** Our word is our bond. We are committed to our clients, our partners, and our team, ensuring that every project is completed with integrity and dedication.
- **Sustainability:** We recognize the importance of environmental responsibility and strive to incorporate sustainable practices into all aspects of our operations.
- **Innovation:** We continuously seek new and better ways to serve our clients, leveraging cutting-edge technology and creative solutions.

# WHAT WE DO

- ✓ **Electrical Contracting:** Expert installation and maintenance of electrical systems for residential, commercial, and industrial projects.
- ✓ **Automobile Maintenance:** Comprehensive vehicle maintenance services, ensuring optimal performance and safety.
- ✓ **Construction:** High-quality construction services for various types of infrastructure and buildings
- ✓ **Car Rentals:** Reliable and well-maintained vehicles available for short-term and long-term rentals.
- ✓ **Non-Food Trading:** Diverse range of goods and services supplied to meet the needs of various industries.
- ✓ **Conference Organizing:** providing tailored conference organizing services for corporations and government entities. We manage all aspects, from venue selection to technical support, with a focus on precision and sustainability

# SERVICES OFFERED IN CONFERENCES ORGANIZING

**Venue Selection & Management:** We identify and secure ideal venues, handling all aspects of logistics, including seating arrangements, audio-visual setup, and catering services.

**Event Planning & Coordination:** Our experienced planners work closely with clients to design events that align with their goals. We manage the event schedule, guest coordination, and the facilitation of on-site support.

**Technical Support:** Leveraging cutting-edge technology, we provide technical solutions, including audiovisual equipment, live streaming, and translation services, ensuring global accessibility.

**Sustainable Event Solutions:** In line with our commitment to sustainability, we incorporate eco-friendly practices, such as digital invitations, paperless documentation, and waste-reduction strategies.

Here are some notable conferences that we have contributed in Sudan:

**Sudan International Mining Business Forum and Exhibition (SIMFE)** – A major event focused on Sudan's mining sector, bringing together stakeholders from the government, private sector, and international community.

**Sudan Oil & Gas Exhibition and Conference (SOGC)** – A platform for discussing developments in the oil and gas industry in Sudan.

**Khartoum International Trade Fair** – An annual trade fair that hosts conferences and exhibitions across various industries, including agriculture, manufacturing, and technology.

**Sudanese Agricultural and Livestock Conference** – Focuses on Sudan's agricultural and livestock sectors, with discussions on sustainability and innovation.

**Sudan Social Forum** – A civil society-driven event focused on human rights, development, and social justice in Sudan.

**Khartoum International Education Conference** – A conference centered on advancing education in Sudan, bringing together local and international experts.

**Sudanese Innovation and Technology Summit** – Promotes innovation and technological advancement, showcasing cutting-edge developments in various sectors.
